THE WORLD

☠Number of abortions worldwide in the last 50 years: over 1.5 BILLION.
☠Estimated annual numbers of abortions worldwide: 50 million.
☠One in five pregnancies worldwide will end in abortion.
☠Approx. 90% of Down syndrome babies are aborted worldwide.
☠42% of all yearly deaths in the world are from abortion.
☠Every 2 seconds a baby is aborted somewhere in the world.
☠Baby girls are a particular target for abortion (i.e., *gendercide:* the deliberate targeting of a specific gender of babies for elimination).

EUROPE

☠The UK: shocking abortion vs. adoption ratios (e.g., 2009: there were 190,000 abortions, but only 400 baby adoptions—a ratio of 475 to 1!
☠In the UK, 92% of Down's Syndrome children and 90% of babies with spina bifida are aborted.
☠Britain is now the abortion capital of Europe, overtaking France!
☠In Spain, nearly 95% of Down Syndrome children are aborted.
☠In Germany & the UK, only 1 out of 20 mothers who are pregnant with a child who *may* have Down's Syndrome choose to give birth.
☠At least 50 babies survive their abortion every year in the UK—and then are simply left to die!

USA

☠Over 50 million abortions have taken place in the US since 1973.
☠In the US, less than 1% of abortions occur because of rape or incest.
☠Planned Parenthood founder Margaret Sanger was a racist and eugenicist whose goal was to eliminate so-called "inferior" people.
☠More African-American babies have been killed by abortion since 1973 than the total number of African-American deaths from AIDS, violent crime, accidents, cancer, and heart disease *combined*. Since 1973, abortion has reduced the black population by over 25%! In the US, black women are 5X's more likely than whites to have an abortion.
☠78% of Planned Parenthood clinics are in minority communities.
☠In the US, over 90% of Down's Syndrome babies are aborted!
☠The abortion industry in the U.S. brings in $831 million a year for abortion services. Planned Parenthood receives over $363 million a year in taxpayer funding.
